

Lips on Lips

Tiffany Young

If your lips are moving, if your lips are moving
If your lips are moving, then you're lyin', lyin', lyin', baby
If your lips are moving, if your lips are moving
If your lips are moving, then you're lyin', lyin', lyin', baby
 Boy, look at me in my face
 Tell me that you know all about this bass
 You really think I could be replaced
 Nah, I come from outer space
 And I'm a classy girl, I'mma hold it up
 You're full of something but it ain't love
 And what we got, straight overdue
 Go find somebody new
You can buy me diamond earrings and deny-ny-ny, ny-ny-ny, deny-ny
 But I smell her on your collar so goodbye-bye-bye, bye-bye-bye
 I know you lie
 'Cause your lips are moving
 Tell me do you think I'm dumb?
 I might be young, but I ain't stupid
 Talking around in circles with your tongue
 I gave you bass, you gave me sweet talk
 Saying how I'm your number one
 But I know you lie
 'Cause your lips are moving
 Baby, don't you know I'm done
 If your lips are moving, if your lips are moving
 If your lips are moving, then you're lyin', lyin', lyin', baby
 If your lips are moving, if your lips are moving
 If your lips are moving, then you're lyin', lyin', lyin', baby
 Hey, baby, don't you bring them tears
 'Cause it's too late, too late, baby
 You only love me when you're here
 You're so two-faced, two-faced, babe
You can buy me diamond earrings and deny-ny-ny, ny-ny-ny, deny-ny
 But I smell her on your collar so goodbye-bye-bye, bye-bye-bye
 I know you lie
 'Cause your lips are moving
 Tell me do you think I'm dumb?
 I might be young, but I ain't stupid
 Talking around in circles with your tongue

I gave you bass, you gave me sweet talk
Saying how I'm your number one
But I know you lie
'Cause your lips are moving
Baby, don't you know I'm done
If your lips are moving, if your lips are moving
If your lips are moving, then you're lyin', lyin', lyin', baby
If your lips are moving, if your lips are moving
If your lips are moving, then you're lyin', lyin', lyin', baby
I know you lie
'Cause your lips are moving
Tell me do you think I'm dumb?
I might be young, but I ain't stupid
Talking with your tongue
I gave you bass, you gave me sweet talk
Saying how I'm your number one
But I know you lie
'Cause your lips are moving
Baby, don't you know I'm done
