Baby let me come and scoop you in the Benz

We can chill and lay back while I drop my top baby if you want you can bring a friend

I get it poppin' off

Be glad you got involved

Girl if you play your position then all your problems solved

They show me love in every hood and every city I go

They say "Timbo you the best" and I say baby "I know"

Let me put it simple so you can understand shawty cause(Keri & Timbaland)
