A Dream

Debarge

Last night I dreamed
That you were here with me
And we were in each others arms
It was oh so heavenly
You held me close to you
And whispered in my ear
"Let's build a life together
Share love beyond compare"

As we danced to the melody
We had so much to share (then the music stopped)
In a flash I was all alone (it was just a dream)
Haunting me once again

[Chorus]
A dream, of simple fantasy
That I, wished was reality
That you'd, come knocking at my door
And we'd, relive this dream once more

The day you left
You said you would return
Just when you wouldn't promise
Said you needed time alone
You said you loved me and
Someday our love could be
I couldn't understand it
I thought we were both happy

As we danced to the melody
We had so much to share (then the music stopped)
In a flash I was all alone (it was just a dream)
Haunting me once again

[Chorus:Repeat x2]

Hold me
Love me
With all your heart

Ohh come back
Please make my dream come true for me
I need so much for you to see
I need you to love me once again

[Chorus]
