

# Rule the World

## Kamelot

When a new day reaches dawn  
I feel it's worth the wait  
But I tumble and I fall  
I'm up against my fate When the barricades come down  
I'll build them up again  
When I'm just about to drown  
I still don't know the end CHORUS:  
Sometimes I tremble  
Like a little child  
That faces morning  
With a broken smile Sometimes I crumble  
When the shades unfurl  
Sometimes I feel that  
I could rule the world When the morning comes alive  
Release your love brigade  
At the end of day it's night  
To suck it up with hate CHORUS:  
Sometimes I tremble  
Like a little child  
That faces morning  
With a broken smile Sometimes I crumble  
When the shades unfurl  
Sometimes I feel that  
I could rule the world Rule the world [Solo] CHORUS:  
Sometimes I tremble  
Like a little child  
That faces morning  
With a broken smile Sometimes I crumble  
When the shades unfurl  
Sometimes I feel that  
I could rule the world (That faces morning  
With a broken smile  
Sometimes I crumble  
When the shades unfurl  
Sometimes I feel that  
I could rule the world)
