

Euphoria, Take My Hand

Glasvegas

Heartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
EuphoriaYour ways, my ways
Never, always
The future, the past
The first, the lastHeartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
EuphoriaRight time, wrong line
Myself, I'm alien
I swear to god, lies and bad thoughts
1, 2, 3, 4, let goHeartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
EuphoriaA wish upon a falling star
A fear never far
I hurt, you hurt me
Sunshine, moonlight
Kind heart, evil leave meHeartbreak
I'm not holding your hand anymore
Heartbreak
I'm not holding your hand, let me goWhy can't you understand?
Why can't you understand?
Why can't you understand?Euphoria, take my hand
Euphoria, take my hand
Euphoria, take my hand
EuphoriaEuphoria, take my hand
Euphoria, take my hand
