Get Connected

Clint Crisher

Everything is GodWhat's ahead?If it is to be
It's up to me
To get connected
And make my realityI wanna be connected
And make my reality
If I don't he won't
It's my choice to get connected
So love yourselfIf it is to be
It's up to me
To get connected
I wanna be connected
Make my reality
If I don't he won't
It's my choice to get connected
It makes you feel so good
You know it does
So love yourself
I'm your friend
And he speaks through me
Just know it and you will see
If it is to be
It is up to meI'm your friend
And he speaks through me
Just know it and you will see
If it is to be
It is up to me
Through a friend he spoke to me
These 10 two-letter words
If it is to be
It is up to meTake responsibility for your actions
It's not her, it's not him, it's not parents
When are you gonna see
(If it is to be)
It is up to me
Ooh, ooh, oohIf it is to be
It's up to me
To get connected
If it is to be
It's up to me

To get connected
Make my reality
If I don't he won't
It's my choice to get connected
It makes you feel so good
You know it does
So love yourself
I'm your friend
And he speaks through me
Just know it and you will see
If it is to be
It is up to meStraight from Philippians 3:14At the end of the day
Your goal is to forget what is behind
And focus on what's ahead
Focus on what's aheadIf it is to be
It's up to me
To get connected
It makes you feel so good
You know it does
So love yourself
I'm your friend
And he speaks through me
I'm your friend
And he speaks through me
So love yourselfI'm your friendI'm your friend
and he speaks through me
Just know it and you will seeI'm your friend
I'm your friend
