How Does It Feel (Radio Edit)

Michael Mind Project

Don't forget your spell on me
But tell me now, how does it feel?
How does it feel?

Lessons learned, I'm on my knees
Just let me know, how does it feel?
How does it feel?

How does it feel?

Lessons learned, I'm on my knees
Just let me know, how does it feel?
How does it feel?

How does it feel?

How does it feel?
Are you cheating me?
But I still believe
How does it feel?
To be left alone
To be on your own

How does it feel?

How does it feel?

Lessons learned, I'm on my knees
Just let me know, how does it feel?
How does it feel?

How does it feel?
