What I Do Best

Sheryn Regis

1st intro:
I , i know that you lost your way
you need to find a somewhere , you belong

You , you've running from yesterday
you will stumble and you'll fall sometimes
is love is shining true and i will waiting there for you

chorus:
cause what i do best , is love you like a woman
loves her man , i can love you more than any other woman can
so trust that i can pull you true and let me do the rest cause
loving you , is what i do best

Oooohhh...
2nd intro:
time ,there be enough time to share ,, and let me i can turn your world around
time , enough there's more than enough to share they can climb
the highest mountain forever ca begin yeaheay!! so open your heart and let me in...

chorus:
cause what i do best , is love you like a woman loves her man
i can love you more than any other woman can ,, so trust that i will pull
you true and let me do the rest ,, cause loving you , is
what i do best

3rd intro:
the tears you cried before has disaperd ,, and if you come again one night
