Pray a Little Faster

Frank Black

Breath deep and fill your lungs
In your native or in your second tongue
Pig-Latin or pigeon
Just get religionPray a little faster
Come on, pray a little faster
Pray a little faster
We got too far to runForget about the girls and forget about the boys
Turn off the TV and put away your toys
You can't do what you want to do
So get out your voodooCome on, pray a little faster
Pray a little faster
Pray a little faster
We got too far to runPray to the trees, pray to the sun
And if you don't believe, pray to the alien
Look up to heaven, yeah
And turn it upto 11Come on, pray a little faster
Pray a little faster
Pray a little faster
We got too far to run
