

It's Up To You

John Denver

You can do whatever you wanna do
Wherever you wanna go, it's up to you
Wouldn't it be fine following your heart
Playing your own part
You and me out on the farm, let the sun be our alarm
Kicking off our shoes, doing what we choose
And wouldn't it be fine knowing that you're mine
Anytime you wanna be
But I don't wanna own you
I just wanna hold you
I don't wanna need you
I just like to see you smile and stay for a while
And if the times get rough being free might be enough
To keep our feelings warm, see us through the storm
Wouldn't it be fine looking back and knowing
That we helped each other find
You can do whatever you wanna do
Wherever you wanna go, it's up to you
And wouldn't it be fine following your heart
Knowing from the start it's up to you
It's up to you, it's up to you
