

# Mutual Core

**Bjork**

i shuffle around the tectonic plates in my chest  
you know i gave it all  
try to match our continents  
to change seasonal shift  
to form a mutual core  
as fast as your fingernail grows  
the atlantic ridge drifts  
to counteract distance  
you know i gave it all  
can you hear the effort of the magnetic strife?  
shuffling of columns  
to form a mutual core  
this eruption undoes stagnation  
you didn't know i had it in me  
withheld your love, an unspent capsule  
i didn't know you had it in you  
you hid the key to our continuity

i didn't know you had it in you  
this eruption undoes stagnation  
you didn't know, you didn't know  
what you resist persists, nuance makes heat  
to counteract distance  
i know you gave it all  
offered me harmony if things were done your way  
my eurasian plate subsumed  
forming a mutual core  
this eruption undoes stagnation  
you didn't know i had it in me  
withheld your love, an unspent capsule  
i didn't know you had it in you  
this eruption undoes stagnation  
you didn't know i had it in me  
this eruption undoes stagnation  
you didn't know, you didn't know
