

# Temple

**Bauer**

[Intro: Spoken]

As you move towards the center, you see an open temple

A presence patiently waits for you and as you walk toward the inward glade, you can see her pale, calm, luminous face[Hook: M.I.A.]

Warriors, go!

Get your freak on

You don't need money 'cos you won't be alone

Go! I'll get you in the zone

You don't need money 'cos you won't be alone[Verse 1: M.I.A.]

Got my lookout, girls got fit boys to look at

Tiger's room, what the fuck you looking shook at?

Fuck it! Touch it good! Flick it! Lick it!

When you come here you wanna get stuck in

Empty your pockets, phone out your jacket

[?] is louder than the racket

In my jungle, don't stumble in my symbol[Bridge: M.I.A. & G-Dragon]

Body body body body body body body bow

Everybody heard about me and everybody know

## Faster than a hunter with an arrow to the bow

If he steps close then I'm gonna let it go[Verse 2: G-Dragon]

Yeah hanging in my A and I aim for your temple

## Shoot up your party on the beat to the tempo

Bad girls, with the good boy ì<sup>o</sup>ì€€–;

Body body body body body body body bow

Everybody heard about me, everybody know

## Faster than a hunter with an arrow to the bow

If he steps close then I'm gonna let it go[Bridge: M.I.A. & G-Dragon]

Body body body body body body body bow

Everybody heard about me and everybody know

## Faster than a hunter with an arrow to the bow

If he steps close then I'm gonna let it go[Verse 3: M.I.A.]

My bed is like a lotus and I wake up on it, blessed

Saturday wake up on a belly-belly flex

Every girl together, we can still do it best

People with the money what they do more or less  
Focus on the grind and I'm best by default  
Step into my temple and you see me on my throne  
Gold on the dome, don't drop that drone  
If you don't like it then I'm gonna change the tone[Bridge: M.I.A. & G-Dragon]  
Body body body body body body body bow  
Everybody heard about me and everybody know  
Faster than a hunter with an arrow to the bow  
If he steps close then I'm gonna let it go
