

Vaginoplasty (feat. Simmone Jones)

Peaches

I was blessed with big big big lips
When I dip they dip dip dip lips
Catch the whiff coming off my midriff
Wake up bitch and lick lick lick thisHappy, pig in truffle
Suckle, Snuffle, Upagus
Stuffin' it, up in it
Are you up to it?Vaginoplasty
Why do you ask me?
Vaginoplasty
I keep it nastyPussy's big and I'm proud of it
You can dig dig dig in and out of it
Make a crowd of it, bow down to it
Won't be long till you drown in it
With an extra tongue, it's extra fun, he's extra hung
Bring an extra son, wanna join in too?
Got room for you in my Lucy Liu, oohHappy, pig in truffle
Suckle, Snuffle, Upagus
Stuffin' it, up in it
Are you up to it?Vaginoplasty
Why do you ask me?
Vaginoplasty
I keep it nasty
Vaginoplasty
Why do you ask me?
Vaginoplasty
I keep it nasty(Want it higher)
(Need it tighter)
(Want it higher)
(Need it tighter)(Want it higher)
(Need it tighter)
(Want it higher)
(Need it tighter)If you've been in a crash
Construct the gash, then make it flash
Complete with an underpass
If you're born as a man
But know you're a woman
I understand
Gotta get it, get it girlHappy, pig in truffle
Suckle, Snuffle, Upagus

Stuffin' it, up in it
Are you up to it? Happy, pig in truffle
Suckle, Snuffle, Upagus
Stuffin' it, up in it
Are you up to it? Are you, are you, are you up to it?
Are you, are you, are you up to it?
Are you, are you, are you up to it?
Are you, are you, are you up to it?
Are you, are you, are you up to it?
Are you, are you, are you up to it?
Are you, are you, are you Vaginoplasty
Why do you ask me?
Vaginoplasty
I keep it nasty
Vaginoplasty
Why do you ask me?

I keep it nasty (Want it higher)
(Need it tighter)
(Want it higher)
(Need it tighter) (Want it higher)
