Star of david on my chest  
Sex is kosher on the sabbath  
Jewish princess in my nest  
Like aunt golda high on zion  
Milk and honey are my drugs  
Relic box of einstein's hairdo  
Spring prediction cloud of bugsThe heavens cry loud in the open  
I hear the angels sing  
Shalom b'israel shalom b'israel

Oops there goes a freudian slip  
Army of lovers on a mission  
Forty years of desert trips  
Drinking from a stinking fountain  
The kabbala and jezebel  
Dancing horah on a mountain  
Party like a bitch from hellThe heavens cry loud in the open  
I hear the angels sing  
Shalom b'israel shalom b'israel  
Shalom la'olam shalom b'israelEvenu shalom alechem  
Evenu shalom alechem
