

Over You

Miranda Lambert

Verse 1:

Weather man said it's gonna snow
By now I should be used to the cold
Mid-February shouldn't be so scary

It was only December

I still remember the presents, the tree, you and meChorus:

But you went away

How dare you?

I miss you

They say I'll be ok

But I'm not going to ever get over youVerse 2:

Living alone here in this place

I think of you, and I'm not afraid

Your favorite records make me feel better

Cause you sing along

With every song

I know you didn't mean to give them to meChorus:

But you went away

How dare you?

I miss you

They say I'll be ok

But I'm not going to ever get over youIt really sinks in you know when I see it in stone

Cause you went away, how dare you?

I miss you

They say I'll be ok

But I'm not going to ever get over you
