Better Today

Faktion

Yesterday I hit the ground
I felt so down
I let some baggage that I don't need get the best of me
Some days I wake up with a frown
Easily annoyed by any sound
I wish this negativity would stay away from meChorus:
Today is a new day
I'm awake and expecting so much more
This pain can hurt no more
I washed it away
Now I'm standing at the door
The world looks better today
It's so much better todayI had no reason to feel down
For I have found that my negativity starts inside of me
Waiting for things to turn around
Tired, tired of feeling bound
I wish this negativity would stay away from meRepeat ChorusI'm making the decision to turn my back on yesterday
Now I know I'm in control
I will make it better todayRepeat Chorus
