Where Peaceful Waters Flow

Gladys Knight

Come and walk with me
We can go where peaceful waters flowIf loneliness surrounds you
And rain clouds always hang around you
And wakin up each day gets you down
Gets you down, gets you downAnd if the life that youre leading
Seems hollow then maybe
What youre needing
Is someone to turn your world around?Take my hand
Come take my hand
And walk with me and walk awhile
Let me teach you how to smileLet me teach you how to smile
And Ill show you skies
And Ill show you skies where gentle breezes blow
Where breezes, gentle breezes blow, yeah, heyAnd Ill take you where peaceful waters flow
Peaceful waters flowIf you let me, Ill take you
Where peaceful waters flow
Come and walk with me, mmm, hmm
We can go where peaceful waters flowNow if the sunshine hurts your eyes, boy
Then its time for you to realize, boy
Beyond this moment theres a better day
Better day, mmm, hmm, better dayAnd if you let me
Ill guide you, mmm
Ill always be there, right there beside you
Reaching every step of your wayCome take my hand and walk
Come take my hand and walk with me awhile
And walk awhile, yeah, hey, hey
Let me teach you how to smileLet me teach you how to smile
And Ill show you skies, Ill show you skies
Where gentle breezes blow
Where breezes, gentle breezes blow, hey, yeah, hey, hey, heyAnd Ill take you where peaceful waters flow
Peaceful waters flowHey, hey, if you trust me
Ill take you there where peaceful waters flow
Come and walk with me, mmm, hmm
We can go where peaceful waters flow
