

Concrete Jungle

Anvil

A shot in the dark
On a New York night
The dream of the hunter
And the doomed man's frightChorus:
Rock
Roar
In the land of the predator
Concrete jungleSurvival of the fittest
And the jungle's alive
The plight of the nigger
And the honkey jive-Chorus-
Concrete jungleThe Lady's liberty
Is getting old
Prey for justice
Will our freedom be sold-Chorus-
Concrete jungle
