# Oh Shit

## Buzzcocks

Oh shit, I thought you and I were friends
Oh shit, I guess this is where our love ends
Oh shit, I thought things were goin' well
But it hasn't turned out so swellHas it
Oh shitOh shit, pride comes before a fall
Oh shit, and once you lose one you've lost them all
Oh shit, I guess this time's the time
And it seem you're no longer mineDon't it
Oh shit
Oh shitOh shit, I wish I'd known before now
Oh shit, that you were such a cow
Oh shit, I wouldn't have wasted my time
Oh shit, chasin' somethin' which wasn't mineFace it
You're shit
You're shitOh shit, I wish I'd known before now
Oh shit, that you were such a fuckin' cow
Oh shit, I wouldn't have wasted my time
Oh shit, chasin' somethin' which could never be mineAdmit
You're shit
You're shit
You're shitAdmit
Admit
You're shit
You're shitYou're shit
You're shit
You're shit
