Sick Mind

King Tuff

She was blonde
With a filthy desire
More sex, more drugs, she can always get higher
I can see it in her eyes
She's got a sick, got a sick mindShe was blonde
With a rose in her hands
But love just wasn't fun til she took off your pants
I can see it in her eyes
She's got a sick, got a sick mind
Sick mind
Sick mind
Sick mind
Sick mindShe's got a sick, got a sick mindShe's looking round the room in a fourth dimension
She's howling at the moon in your direction
I can see it in her eyes
She's got a sick, got a sick mind
