Come On

Small Mercies

Someone's got a hold on me now
Too young, maybe I'm too damn proud to give in
You say
The things we do to those that we love
Hold me back cause I've had enough of living
This way
HeyCome on, Come on
You hit me harder than the atom bomb
But I Know
I'll be strongCome on, Come on
You pin me down and tell me that I'm wrong
But I know
I'll be strongSomeone's got me caught in a trance
Until now I thought we'd romance forever
But who knows
Things we do to those that we love
When your pushes turn into shoves won't let it
Control
NoCome on, Come on
You hit me harder than the atom bomb
But I Know
I'll be strongCome on, Come on
You pin me down and tell me that I'm wrong
But I know
I'll be strongI can't escape
Why can't I break the hold
I can't take it, it feels unexposed
With such a shame, but now we knowCome on, Come on
You hit me harder than the atom bomb
But I Know
I'll be strongCome on, Come on
You pin me down and tell me that I'm wrong
But I know
I'll be strongCome on, Come on
You hit me harder than the
Come on, Come on
You hit me harder than the
Come on, Come on
You hit me harder than the

Come on, Come on
Come on
