

# Geordie's Lost His Liggie (feat. Brian Johnson)

## Geordie

{ Yeehoo } Oh Geordie's lost his liggie  
Oh Geordie's lost his liggie  
Oh Geordie's lost his liggie  
Oh Geordie's lost his liggie  
Along the Scotswood Road  
And he couldn't find his liggie  
He couldn't find his liggie  
he couldn't find his liggie  
Along the Scotswood Road { Yeehoo } Well, he lost it down the netty  
He lost it down the netty  
He lost it down the netty  
Along the Scotswood Road  
And he couldn't find his liggie  
Couldn't find his liggie  
Couldn't find his liggie  
Along the Scotswood Road And Geordie's lost his liggie  
Oh Geordie's lost his liggie  
Oh Geordie's lost his liggie  
Along the Scotswood Road { hey hahaha } He got himself a broom shank  
Stuffed it down the netty  
But he couldn't find his liggie  
Along the Scotswood Road  
So he got himself a poss stick  
And he tried it to his broom shank  
And he rammed it down the netty  
Along the Scotswood Road And [But] he couldn't find his liggie  
He couldn't find his liggie  
he couldn't find his liggie  
Along the Scotswood Road And Geordie's lost his liggie  
Oh Geordie's lost his liggie  
Oh Geordie's lost his liggie  
Along the Scotswood Road { Yabuggermaw } Listen, he got a case of dynamite  
Stuffed it down the netty  
And he blew the stinking netty  
Along the Scotswood Road  
But he couldn't find his liggie  
{ He } Couldn't find his liggie  
Couldn't find his liggie  
Along the Scotswood Road And Geordie's lost his liggie

Oh Geordie's lost his liggy  
Oh Geordie's lost his liggy  
Along the Scotswood Road { wayah... yeehoo } {Listen to this}  
It was in his bloody pocket  
It was in his bloody pocket  
It was in his bloody pocket  
Along the Scotswood Road Now Geordie's found his liggy  
Oh, Geordie's found his liggy  
Oh, Geordie's found his liggy  
Along the Scotswood Road  
Everybody, Geordie's found his liggy  
Oh, Geordie's found his liggy  
Oh, Geordie's found his liggy  
Along the Scotswood Road  
(Repeat to end - fade)
