

Clean (feat. Jamie Lidell)

Big Data

When I look back,
I see trails of myself.
Coulda been you,
Coulda been someone else.
All that I know is
Iâ€™m leaving that person behind.

Iâ€™m clean.
Iâ€™ve washed it all away.
Iâ€™m so clean.
You made me this way.
Now Iâ€™m ready to be
The face that never screams,
Cuz I know that you want me clean.

You gave me a taste of a life I could lead.
You gave me a face for the fools to believe.
Now Iâ€™m changing,
Becoming one of you.

Iâ€™m clean.
Iâ€™ve washed it all away.
Iâ€™m so clean.
You made me this way.
Now Iâ€™m ready to be
The face that never screams,
Cuz I know that you want me clean.

This life.
Oh, itâ€™s a dirty life,
But I can show you another way.
Donâ€™t you wanna be like me?
Donâ€™t you wanna be clean?

Now, Iâ€™m the darkness that hides in the light,
And itâ€™s laughable watching you put up a fight.
The doorâ€™s always open, itâ€™s only a matter of time.

Iâ€™m clean.
Iâ€™m so clean.

Now Iâ€™m ready to be
The face that never screams,
Cuz I know that you want me clean.

Iâ€™m clean.
Iâ€™ve washed it all away.
Iâ€™m so clean.
You made me this way.
Now Iâ€™m ready to be
The face that never screams,
Cuz I know that you want me clean.
Cuz I know that you want me clean
