

Power of Love

Air Supply

The whispers in the morning
Of lovers sleeping tight
Are rolling by like thunder now
As I look in your eye

I hold on to your body
And feel each move you make
Your voice is warm and tender
A love that I could not forsake

Cause you are my lady
And I am your man
When ever you reach for me
I'll do all that I can

Lost is how I'm feeling
Lying in your arms
When the world outside
Is to much to take
That all end when I'm with you

Even though there may be times
It seems I'm far away
Never wonder where I am
Cause I am always
By your side

Cause you are my lady
And I am your man
When ever you reach for me
I'll do all that I can

Where heading for something
Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn
Of the power of love

The sound of your heart beating
Made it clear suddenly

The feeling I can't go on
Is light years away

Where heading for something
Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn
Of the power of love

Where heading for something
Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn
Of the power of love

Where heading for something
Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn
Of the power of love
