

Eternally Missed

Muse

Chase your dreams away
Glass needles in the hay
The sun forgives the clouds
You are my holy shroudI just don't care if it's real
That won't change how it feels
I just don't care if it's real
That won't change how it feelsNo, it doesn't change
And you can't resist
Making me feel eternally missed
And you can't resist
And you can't resist
Making me feelChase your dreams away
Glass needles in the hay
The sun forgives the clouds
You are my holy shroudAnd I just don't care if it's real
That won't change how it feels
I just don't care if it's real
That won't change how it feelsNo, it doesn't change
And you can't resist
Making me feel eternally missed
You can't resist
You can't resist
Making me feelYou can't resist
Making me feel eternally missed
You can't resist
You can't resist
Making me feelYou can't resist
Making me feel eternally missed
And you can't resist
And you can't resist
Making me feel
