be lonely

Mario Biondi

Be lonely
But tell me, the real things
you're deep in
Be lonely
And show me, some new
ways from feeling I had
thought you were in my
world
And you'd end on my throne
You'll stay in my heart and
ever lost in (OH) I'm in love,
all I can say
I'm alone night and day
Be lonely
My Darling and free me
from caring
Be lonely
Forget me and give me some
healing
I'm alone, you're all that I
had I'll never fall again
You are in my soul forever
calling Oh I'm in love
All I can say I'm alone night
and day
Be lonely
I had known your game all along
And knew it was not long
You're in my mind and
always found in
Oh I'm in love all I can say
I'm alone night and day
Be lonely
