

Miracle

Go Back to the Zoo

You're not alone
Stop thinking of the past
I want you to know
You'll have to leave it all behind Come take my hand
I've been waiting just for you
I'll understand
I just know how hard you try
To take it easy
Everything will be all right
Take it easy
I'll be right here by your side
Come on
Stop waiting for a miracle
Yeah yeah
Come on
Stop waiting for a miracle
Everything will be all right
Come on
Stop waiting for a miracle
Yeah yeah
Come on
Stop waiting for a miracle
I'll be right here by your side Please listen to me
When I see you're all I want
You don't have to change
Don't be so hard on yourself
Take it easy
Everything will be all right
Take it easy
I'll be right here by your side Come on
Stop waiting for a miracle
Yeah yeah
Come on
Stop waiting for a miracle
Everything will be all right
Come on
Stop waiting for a miracle
Yeah yeah
Come on

Stop waiting for a miracle
I'll be right here by your sideCome on
Stop waiting for a miracle
Come on
Stop waiting for a miracle
Come on
Stop waiting for a miracle
Yeah yeah
Come on
Come on
Come on
I'll be right here by your sideCome on
Stop waiting for a miracle
Yeah yeah
Come on

I should be waiting for a miracle
Everything will be all rightAnd I keep falling in love with you
I keep falling
Falling
And I keep falling in love with you
I keep falling
Falling
And keep falling in love with you
I keep falling
Falling
Oh I keep falling in love with you
I keep falling
Falling
