Switch It Up

Mr. Sancho

I'm looking for a girl whoose got a girlfriend,
so they can both be my girlfriends,
and we can get it on,
you can do your thing,
then switch it up,
so i can do my thing girl,
now switch it up.

Verse I:
(Ms. Sancha)
I got a lot of homegirls,
you know me,
Sexy sancha, lpg
got what you want,
got what you need,
you and me her makes three
plus some weed and some drink
i'm so horny i can't think
watching this is fun,
i'm tingling numb,
working my girl to the beat of the drum,
baby i'm hot,
please don't stop,
pump a little faster,
she's about to pop,
now let me get on top,
i know my spot,
don't wanna waste time,
cuz i gotta get off,
don't wanna make love,
show me you're a thug,
we'll take it from the bed,
to the floor to the tub,
all night long,
lets just cut,
gangsta's style,
you know whats up.

CHORUS:

I'm looking for a girl whoose got a girlfriend,
so they can both be my girlfriends,
and we can get it on,
you can do your thing,
then switch it up,
so i can do my thing girl,
now switch it up.

Verse II:
(Mr. Sancho)
Now a days,
girls getting kinda freaky,
anything goes,
you ain't gotta be sneaky,
you like girls,
yea, i like girls too,
but baby it's even better,
if it's me plus two (ugh),
and set it up,
and fillfull our fantasies,
and if it feels right,
then it's meant to be,
you ain't gotta be shy,
i'm the type of guy,
that's open minded,
its hard to find it,
no jealousy on mind,
you can have your girl,
you can take your time,
{{??}}
just want to get it,
{{??}}
baby bring it home to daddy,
you and her can have me,
cuz i, got enough to go around,
so i call you when i'm in town,
no time for commitments,
but it's okay,
cuz you and your girl love when i'm hittin it.

CHORUS:
I'm looking for a girl whoose got a girlfriend,
so they can both be my girlfriends,
and we can get it on,
you can do your thing,

then switch it up,
so i can do my thing girl,
now switch it up.

Verse III:
(Ms. Sancha)
We could all be in the B-E-D,
Under the sheets, K-I-S-S-I-N-G,
Get dirty, go down south,
{{??}}Speed it up,
and make it bounce,
on the bed to the couch,
feels good, but ouch,
feels good no doubt,
don't ever love me,
cuz that's not what Sancha's all about,
i like to do it,
i don't care who else is all around,
just us three's company,
i know you want it papi,
best believe you're a freak,
just like both me and mami.

CHORUS:
I'm looking for a girl whoose got a girlfriend,
so they can both be my girlfriends,
and we can get it on,
you can do your thing,
then switch it up,
so i can do my thing girl,
now switch it up.

Verse IV:
(Mr. Sancho)
Cuz I got enough to go around,
So I call you when i'm in town,
I just wanna get it,
{{??}}
baby bring it home to daddy,
you and her can have me,
(2X)
