Deen You Know

Native Deen

I am the Deen
I am the Deen you need(X3)

I am the Deen you know
I am the Deen you need
I am the Deen you love
Please come back to me(X4)

He (satan) wants to bring you down, he whispers everyday
You started on the path and he led you astray
I know you will come back, you never feel at peace
You're searching for the truth to put your mind at ease
You know you're missing me, I know what you've been through
When we meet again, we have a lot of work to do

I am the Deen you know
I am the Deen you need
I am the Deen you love
Please come back to me(X2)

Your life had just begun, I helped to raise you up
You thought it'd be easy but your life turned out to be rough
You thought I let you down, I never let you go
I'm worried cause you left me and you didnt even know
You know you're gonna die, who knows when that will be
Before you meet Allah you should come back to me

I am the Deen you know
I am the Deen you need
I am the Deen you love
Please come back to me(X4)

People coming back,(X4)

To Islam, people are coming to this Deen
To Islam, you are invited to this Deen

I am the Deen you know
I am the Deen you need
I am the Deen you love

Please come back to me(X2)

I am the Deen
I am the Deen you need
I am the Deen
I am the Deen you need
