In The Raw

The Whispers

In the raw, in the raw
In the raw, in the rawDon't choose too fast
You can't judge a book by it's cover
Make sure that what you see is what you get
And read between the linesDon't place too much faith
In someone else's reputation
Watch closely, they might be just a shadow
Of the person they're supposed to be(In the raw)
Just can't fake it
Gonna see what you're made of
(In the raw)
I can't change it
Everybody's got their own wayIn the raw
(In the raw)
In the raw
(In the raw)Girl, you look at me
But only see what's on the surface
And I might just be what you expect of me
There's that possibilityJust strip away your thought
And only speak what's on your mind
'Cause whatever I tell you
You know it's from the heart
And that's the bottom line(In the raw)
Just can't fake it
Gonna see what you're made of
(In the raw)
I can't change it
Everybody's got their own wayIn the raw
In the raw(In the raw)
There's nowhere to run, nowhere to hide
From what you really are inside
You never gain from tellin' lies
The truth wears no disguise(In the raw)
That's the only way to find out(In the raw)
Some try their luck at love for years
They waste their time and so many tears
To make sure love's on solid ground
You've got to break it down(In the raw)
That's the only way to find out, oh, oh, ooh

(In the raw)
So let's break it down to the real thingGirl, you look at me
But only see what's on the surface
And I might just be what you expect of me
There's that possibilityJust strip away your thought
And only speak what's on your mind
'Cause whatever I tell you
You know it's from the heart
And that's the bottom line(In the raw)
Just can't fake it
Gonna see what you're made of
(In the raw)
I can't change it
Everybody's got their own way, yeah, hey(In the raw)
I'll show you just what I am made of, ooh
(In the raw)
Right from the heart
Is where I'm coming from, yeah, yeah(In the raw)
I can't help it
(In the raw)
I can't change it(In the raw)
There's nowhere to run, nowhere to hide
From what you really are inside
You never gain from tellin' lies
The truth wears no disguise
(In the raw)
That's the only way to find out(In the raw)
Some try their luck at love for years
They waste their time and so many tears
To make sure love's on solid ground
You've got break it down
(In the raw)
That's the only way to find out, oh, oh, ooh(In the raw)
I can't fake it
Gonna see what you're made of
(In the raw)
You can't change it
Everybody's got their own way, yeah, yeah
