# In My Soul

## Spain

Well I sometimes have my doubts
But I cannot live without
In my soul
In my soulAnd I know that you are real
You are everything I feel
In my soul
In my soulWhen I look up at the sky
And I watch the clouds float by
I can hear the angels cry
In my soul
In my soul
I'm always on the run and I hate copy paste for god's sake
Well I understand the words
And the whispering I've heard
In my soul
In my soul
But sometimes I have this fearThat you were never here
In my soul
In my soulWhen I look up at the sky
And I watch the clouds float by
I can hear the angels cry
In my soul
In my soulI can see the light shining down
Darkness rises up from the ground
Come to me what have you found
Well I sometimes have my doubts
But I cannot live without
In my soul
In my soul
