

# Smile

## Josh Groban

Smile though your heart is aching

Smile even though it's breaking

When there are clouds in the sky you'll get by

If you smile through your fear and sorrow

Smile and maybe tomorrow

You'll see the sun come shining through for you

Light up your face with gladness

Hide every trace of sadness

Although a tear may be ever so near

That's the time you must keep on trying

Smile what's the use of crying

You'll find that life is still worthwhile

If you just smile

When there are clouds in the sky

You'll get by if you smile

And maybe tomorrow

You'll see the sun come shining through for you

Light up your face with gladness

Hide every trace of sadness

Although a tear may be ever so near

That's the time you must keep on trying

Smile what's the use of crying

You'll find that life is still worthwhile

If you just smile
