Here All Alone, Pt. 1

Aj Rafael

There are times when I have a fit
And there are times when I just lose it
But I am willing to change my way
Even if you dont sayYeah I know Im a jerk when I get mad
I misunderstood the problem that we had
And now I'm all alone in this cold dark world
Waiting for your truth to be toldOhh don't leave me here all alone
And Ohh, oh can you just pick up your phone
And Ohh, oh the words that I didnt mean to say
Ohh Ohh they came out anywayMaybe one day youll finally understand
How much I want this please understand
I didnt mean to make it end up like this
And now Im sitting here stillOhh dont leave me here all alone
And Ohh, ohh can you just pick up your phone
And Ohh, ohh the words that I didnt mean to say
Ohh Ohh they came out anyway
And Ohh, ohh, I hate the way that I am
And ohh, ohh can you just say that you care
And Ohh, ohh Im stuck in 99 problems
Ohh ohh, dont have to be this wayDont have to be this way x2
