Dance With Me

Shane Harper

Well I don't know what to do here,
I cant get my eyes off of you dear.
Everything you do is amazing and
I'm just saying you're so beautiful in every way.
Girl, could you please just stay?[Chorus]
I'm just sayin' what is real
And I'm just saying how I feel
When I'm with you I'm on top of the world.
Could you, could you be my girl?
I get the chills on the warmth of this day
When I'm with you you take my breath away.
Walk with me, talk with me, and stay with me
And when they drop the beat,
Dance with me.I get nervous when I'm talking to you,
But on the dance floor you know I can come through
I know how to lay it down.
Listen to the sound, baby let your body hit the ground.[Chorus]Woah oh, dance with meWell I've danced before with other girls,
But none like this.
I've moved to the rhythm a thousand times,
But not like this.
This is the difference, you're the one I'm missin'
Just give me a try
I'll show you why, yeah[Chorus x2]
