

# Coconut Lover

## Killer Whale

Won't you take your lime,  
and squeeze it in my drink?  
Shake it up love, lover  
like a west coast breeze.

Pour me one more baby  
Yeah, you ... me  
Take me down in your caress  
so I can sleep.

So coconut love,  
walk away with me  
Coconut lover, like  
somewhere out of reach  
Somewhere on out of reach.

Take your lime,  
and squeeze it in my drink.  
Shake, shake, shake it up, love, love  
like a west coast breeze.

I can't leave you lounging  
all by yourself,  
it'd be a crying shame  
if I wasn't there to help.

Coconut love,  
walk away with me,  
Coconut lover,  
like somewhere out of reach.
