

Bring Us Back

Bellarive

You didn't
You didn't just take our sin
You filled us
Filled us up with Your righteousness Yes Your love washed over us
Over us
With Your blood You covered us
Covered us
Send Your Son as one of us
Now Your Kingdom's here Amazing Grace
You shown us Your mercy
You made a way
To bring us back
To bring us back to You Whoah Oh Oh Oh You didn't
You didn't just take our sin
No You filled us
Filled us up with Your righteousness Yes Your love washed over us
Over us
With Your blood You covered us
Covered us
Send Your Son as one of us
Now Your Kingdom's here Amazing Grace
You shown us Your mercy
You made a way
To bring us back
To bring us back to You Whoah Oh Oh Oh Into the light we will walk
We will walk
Yes into the light we will walk
We will walk
God into the light we walk
We will walk
Your presence will lead us
Into the light we will walk
We will walk Amazing Grace
You shown us Your mercy
You made a way
To bring us back
To bring us back Amazing Grace
You shown us Your mercy
You made a way

To bring us back
To bring us back to YouWhoah Oh Oh Oh
You bring us back
You bring us back to You
