

Perth (The Polish Ambassador Remix)

Bon Iver

I'm tearing up, across your face
Move dust through the light
To find your name
It's something faint
This is not a place
Not yet awake, I'm raised to make
Still alive who you, love
Still alive who you, love
Still alive who you, love
In a matter of an month
From forests for the soft
Gotta know been lead aloft
So I'm ridding all your stories
What I know, what it is, is boring, wire it up!
You're breaking your ground
