

Be Still, My Soul

Matt Tutor

Be Still My Soul

Be still my soul, the Lord is on your side
Bear patiently the cross of grief or pain
Leave to your God to order and provide
In every change He faithful will remain

Be still my soul, thy best thy heavenly friend
Through thorny waves leads to a joyful end
Be still my soul

Be still my soul, your God does undertake
To guide the future as He has the past
Your hope your faith, oh let nothing shake
All thatâ€™s mysterious shall be bright at last

Be still my soul, the waves and wind still know
His voice to rule them while we dwell below
Be still my soul

Be still my soul, the hour is hastening on
When we shall meet forever with my Lord
When disappointment, grief and fear are gone
Sorrowâ€™s forgot, loveâ€™s purest joy restored

Be still my soul, when change and tears are past
All safe and blessed gonna be together at last
Be still my soul

(Be still)

(Together at last)

(Oh gonna be together at last)
