

# You Were Made For Me

## Freddie & The Dreamers

You were made for me (you were made for me).

Everybody tells me so.

You were made for me (you were made for me),

Tell me then that you don't know.

All the trees were made for little things that sing and fly.

And the sun was made to burn so bright and light the sky-ee-why-ee-why

Pretty eyes were never made to cry, they were made to see.

When I hold you in my arms I know that you were made for me.

You were made for me (you were made for me).

Everybody tells me so.

You were made for me (you were made for me),

Tell me then that you don't know.

All the flowers in the field were made to please the bees.

For the fishes swim to make the rivers run to the sea-ee-ee-ee-eas.

Every hand was made to hold another, tenderly.

When I kissed you on your lips I knew that you were made for me.

You were made for me (you were made for me).

Everybody tells me so.

You were made for me (you were made for me),

Tell me then that you don't know.

Da da daaa da da da da da daaa da daaa da daaaa

Da da daaa da da da da da daaa da daa de-da-de-da-de-da

You were made for me (you were made for me).

Everybody tells me so.

You were made for me (you were made for me),

Tell me then that you don't know.

Every hand was made to hold another, tenderly.

When I kissed you on your lips I knew that

You were made,

You were made,

You were made for me.
