

Chasing Love

The Mid-Summer Classic

I dont know how much longer I can go on like this
I thought by now that I would've found a good girl
And start to settle down
But every time I try it feels that its never enough
And the more and more I do I lose hope in love
But we wont give in to the fight We've got our whole lives in front of us
And we're so tired of chasing love
We are so far from where we dreamed
That we would be whenever we were young
Kids just waiting to fall in love
We wont give up until we find love We feel so alone
Because everyone we know has found a love of their own
And what they've got they just don't know
That its all we ever wanted never asking for more
When we were young we were so naive
To think falling in love would be so easy
But we wont stop until we get it right We've got our whole lives in front of us
And we're so tired of chasing love
We are so far from where we dreamed
That we would be whenever we were young
Kids just waiting to fall in love
We wont give up until we find love Whoa oh oh, whoa oh oh oh oh
Whoa oh oh, whoa oh oh oh oh
Whoa oh oh, whoa oh oh oh oh
Oh oh, oh oh We've got our whole lives in front of us
And we're so tired of chasing love
We are so far from where we dreamed
That we would be whenever we were young
Kids just waiting to fall in love
We wont give up until we find love
