

Pizza Angel

VeggieTales

And now its time for silly songs with Larry. The part of the show where Larry comes out ,and sings a silly song.

Got the munchies on that faithful night, around 8:00 O' clock. So i phoned in a pizza for delivery, but i had a feeling that something wasn't right 'cause, i waited for hours. No pizza.

I set the table with a paper plate, how would i know that it'd be late?
its taken so long, where could it be? Had a 30 minute guarantee.

Pizza angel please come to me, tomatoe sauce and cheese so gooey.
Pizza angel i'm on my knees, your my number 1 pie from sicily.

Did it get lost? Did they just forget? Should i have ordered on the internet?
Ready for dinner, now i'm not so sure, i think my sodas room temperature.

Pizza angel plase come to me, tomatoe sauce and cheese so gooey.
Pizza angel i'm on my knees, and don't forget to add my favourite anchovies.

yeah yeah yeah,i was concerned for my delivery, eight little slices of heaven for me.
Can't stop thinking it'll make me smile, when i taste my first Chicago style.
Going crazy while i pase the floor, then my heart skipped when i heard the door.

I opened the door in expectation, but it was the sadest sight i every saw. I could still smell the sweet aroma of
deep dish goodness. But the box, was empty.

Your house number was broken so i couldn't find ya.
I was getting kind of hungry, so i ate, ate your pizza. Sorry 'bout that. You don't need to tip me or anything.

Pizza angel please come to me, tomatoe sauce and cheese so gooey.
Pizza angel i'm on my knees, you'll live for every in my memory.
Pizza angel please come to me, tomatoe sauce and cheese so gooey.
Pizza angel i'm on my knees, i will miss you for eternity.

I'll never forget you pizza angel.
