

Darkness Of Christ

Slayer

Mankind in his insatiable search for divine
Knowledge has discarded all biblical teachings
Realizing that the strength of religion is the repression of
Knowledge
All structures of religion have collapsed
Life prays for death
In the wake of the horror of these revelations
It was never imagined how graphic the reality that would
Be known as the end
Of creation
Would manifest itself
We believe all this chaos and atrocity can be traced
Back to one single event
We hold these truths to be painfully self-evident
All men are not created equal
Only the strong will prosper
Only the strong will conquer
Only in the darkness of Christ have I realized
God Hates Us All
