

The Letter

Newsboys

I wrote you a letter
Things could be better
Full of promises
You got hope and dream Did you get it?
Have you read it?
It talks about you and me
And the future, you see Something no one can do
Is take the place of you
Oh, can't you see
You're one of a kind? Child, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Child, you're one of a kind Sometimes
Every things too much
Like the deepest cut
That hurts to be touched When you hear it
When you feel it
Don't let it have its way
I'm trying to say Something no one can do
Is take the place of you
Oh, can't you see
You're one of a kind? Oh Child, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Child, you're one of a kind I know it's hard to hear promises
When the blue has turned to gray
Nobody said it was easy
But I know you'll find your way, oh Child, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Yeah, you're one of a kind Child, you're like a star set apart
Set apart from the start of the world
This is your time, rise and shine
Child, you're one of a kind One of a kind
One of a kind
You're one of a kind
You are, you are
