

# You're Mine, You

## J.J. Johnson

Seems like we were right  
But you always have a problem with everything  
    Appreciate your advise  
But sometimes I have trouble managing  
    Now that I'm paying attention  
    I see how beautiful you are  
But when you spend so much time together  
That image can get so darkBut when you're gone  
    I miss you like I did when we were first together  
    No one in this world could ever hold me better  
Just tell me when you're coming homeWhen you're gone  
    I miss you like you took a piece of me with ya  
    Didn't think I'd care that much, did ya?  
Just tell me when you're coming homeSeems like we were right  
    But today I woke on the wrong side  
    I need silence to keep me right  
    Otherwise the day won't be nice  
    I wanna laugh with you again  
    Just like you are my best friends  
    But friends can always be  
    And we're too close  
And too close is never easyI miss you like I did when we were first together  
    No one in this world could ever hold me better  
Just tell me when you're coming homeWhen you're gone  
    I miss you like you took a piece of me with ya  
    Didn't think I'd care that much, did ya?  
Just tell me when you're coming homeI'm not alone  
    Until you leave me  
    Now we all get to sleep tonight  
    Cause you're not here beside me  
    When you're away it's never easy  
You make it all alright, I miss youWhen you're gone  
    I miss you like I did when we were first together  
    No one in this world could ever hold me better  
Just tell me when you're coming homeWhen you're gone  
    I miss you like you took a piece of me with ya  
    Didn't think I'd care that much, did ya?  
Just tell me when you're coming home, oh
