I Love You

Faith Evans

My heart belongs to you
So what could I do
To make you feel I'm down withYou see me hangin' around
But you don't know
How you make me feel for you, andEach and every day
I try to make some sense of this
What you mean to me?
I know it could be seriousEach and every nite
I dream about just holding you
Lovin' you like this
What is a girl supposed to do?I love you
I want you
You're the one that I live for
And I can't take it any moreI love you
I need you
What can I do to make you see?
You're the only one for meFirst time I saw your face
My heart just erased
All the guys I knew beforeYou walked into my life
I was the type
To never want for nothingEach and every day
I try to make some sense of this
What you mean to me?
I know it could be seriousEach and every nite
I dream about just holding you
Lovin' you like this
What is a girl supposed to do?I love you
I want you
You're the one that I live for
And I can't take it any moreI love you
I need you
What can I do to make you see?
You're the only one for meI love you, I want you
I need you in my life
Can't you see what you mean to me?
Baby come hold me tightI miss you, wanna kiss you
Every time I see your face
Baby I'll be waiting for you
Each and everydayI love you

I want you
You're the one that I live for
And I can't take it any moreI love you
I need you
What can I do to make you see?
You're the only one for meYou're the only one for me
And I know it's meant to be
What can I do to make you see?
My love will carry onSo listen to my heart and know
You'll find out where my love will go
The future lies between us boy
Oh babe I love you soI love you
I want you
You're the one that I live for
And I can't take it any moreI love you
I need you
What can I do to make you see?
You're the only one for meI love you
I want you
You're the one that I live for
And I can't take it any moreI love you
I need you
What can I do to make you see?
You're the only one for meI love you
I need you
