

# Bow Wow Wow (feat. Chipmunk)

## Bodyrox

Get down  
I wanna get it  
Get down  
I wanna get down  
This time I wanna get it  
Get down  
I wanna get down  
This time I wanna get it  
Get down  
I wanna get down  
This time I wanna get it  
Get down(Luciana)  
No bad boys, no champagne  
No false love, no mind games  
No scandals, no?  
No labels, labels  
No ice cream, no candy  
No too hot to handle me  
No cigarette, just alcohol  
Sliding easy down my throat  
No french kiss, no ooh la la  
My fake tan, my?  
No chit chat, no slap on the back  
Show me show me who you are  
I like you  
I like you(Chorus)  
I feel your leg on the dance floor  
Rubbing on my ooh ooh  
Bow wow wow  
?  
Is that your leg on the dancefloor  
Rubbing on my ooh ooh  
Bow wow wow(Chipmunk)  
No labels, labels  
I drop girls like jag  
I'm faded, I'm unstable  
But my 2 step's just fine  
And I like girls that like girls  
You nicki minaj that's fine

And I'm crazy, but look baby  
If you give me ha I'll shine  
Okay she got the moves like jagger  
Makes you wanna dagger  
Wanna play boy I hear ya  
My bank balance hits high notes  
Like miss aguiler  
I mc I can dance too  
Swags cool, dance crew  
Bodyrox and it's me chip  
?(Chorus)  
I feel your leg on the dancefloor  
Rubbing on my ooh ooh  
Bow wow wow  
?  
Is that your leg on the dancefloor  
Rubbing on my ooh ooh  
Bow wow wowGet down  
I wanna get it  
Get down  
I wanna get down  
This time I wanna get it  
Get down
