Stop Moving

Penguin Prison

I just wanna tell you anything you want
Everybody always says they'll never beat you down
I don't need the whole truth I just want some
Everybody always says they'll never be aroundLooking for a piece to take
I think you might be too late
Can you wait
HesitateStop moving
Just enough that you can forget
I don't need to be here if no one else does
Everybody always takes the second time around
I think I'll take the whole thing and then I'll be done
Everybody always used to say it's not allowed
