

Oh Nina

The Muffs

Oh Nina from Pasadena
You wanna see her
And she really make a fool of you
She really, really make a fool of you
Fool Oh Nina, a ballerina
She is a queer
And she knows you never have a clue
She knows you never ever have a clue Oh Nina, Nina
Oh Nina, Nina
Oh Nina, Nina
Oh Nina, yeah
You'll have a good time
You, you, you, you Oh Nina from Pasadena
You think it's weird
But you really, really wanting to
You're really, really, really wanting to Oh Nina, Nina
Oh Nina, Nina
Oh Nina, Nina
Oh Nina yeah
You'll have a good time
You, you And now you're drinking some wine
And now you're feeling so fine
And now you're drinking more wine
You wanna see her all the time Oh Nina, Nina
Oh Nina, Nina
Oh Nina, Nina
Oh Nina yeah
You'll have a good time, Nina Oh Nina, Nina
Oh Nina, Nina
Oh Nina yeah
You'll have a good time
You, you, you, you
