Interlude: Holiday

Paramore 2013 Paramore

Now I can move on to facing
Big girl problems no more
High school drama
Graduated with honors
And I?m drinking coffee while I
Read the paper, I?ve been
Saving money
Eating only top ramen

Now I get a holiday
Wherever I go I must stay
I don?t plan on coming back
Ever if I can hold back
Now I get a holiday
Think I?ll stay
Holiday
I?ll stay
