

Autechre

Comes the light  
 Comes the flame  
 Comes the child who is  
 Come the sword  
 Come the flame  
 Come the end of bliss's reign  
 Come the dawn  
 Come the day  
 Wake the softest soul up  
 Come the fire  
 Come the change  
 Lick the rose of Venus' shame  
 Come the night  
 Come the death  
 Down the path out of  
 Seven  
 Seven  
 Seven is my name  
 Seven come  
 And seven go  
 And seven  
 Still remain  
 Seven  
 Seven  
 Seven is my name  
 Seven on the grandest scale  
 And seven  
 Still remain  
 And the light  
 And the flame  
 Take the path on  
 And the night  
 And the day  
 Fall upon the knees of  
 And the child  
 In the flames  
 Casted out of eden
